

JW MARRIOTT

SAN ANTONIO HILL COUNTRY

Dear Valued Guest,

As a luxury resort destination, we strive to provide our guests with exclusive and secure access to our private 600-acre property. As your privacy and security is of the utmost importance, our main resort entrance will be temporarily closed as we undergo construction for new security enhancements further providing our guests with exclusive access to our Resort amenities. During this time, please follow the guide below to access the Resort through an alternate entrance. We appreciate your patience as we focus on the beautification and improvement of the Resort.

Sincerely,

David Cronin, Resort Manager
JW Marriott San Antonio Hill Country Resort & Spa
